

July 24, 2011

Greetings!

I hope this letter finds you all enjoying a quiet and relaxing summer! Enclosed you will find Sunday school information including the fall schedule, registration forms, and information about the LOGOS program. Please complete all forms and return to the office before September 1st. The Children's Ministries team is excited about the fall programming that we have been planning! After reading the enclosed information, please feel free to contact me either by phone 609 896-1212 ext. 107 or by email at rcampbell@pclawrenceville.org with any questions. Please fill out one registration form per child.

There are many ways to become more involved in the Children's Ministries program. We are currently in need of a bulletin board volunteer to help spruce up our bulletin boards in the classrooms. We are also currently in need of preschool and K-5 Sunday school teachers. Each rotation is a four-week rotation. Please prayerfully consider volunteering! If you are interested in volunteering or for more information, please contact me.

Providing a nurturing and safe environment for all of our children is paramount. Parents please, be advised that children are not to be left in classrooms unsupervised at any time. Children are not permitted to run in the Fellowship Center following worship. With older adults and hot coffee, injuries and accidents may occur. The entire staff at PCOL will encourage children to remain with their parents or at the children's table after worship during fellowship hour. Cara Taylor will provide childcare in the nursery for any child nursery age through grade five when their parent is either in a forum or meeting.

We will continue to have summer Sunday school when volunteers are available and we look forward to seeing all of you on Sunday, September 11th for our Sunday school kick off!

Enjoy the rest of your summer.

Peace,

Robyn Campbell
